

award. They have an outstanding school that's located in Cass County, consolidated between Elmwood and Murdock. I felt it appropriate to call the body's attention to this. This happened about three weeks ago, yeah, three weeks ago. It recognizes excellence in our schools. This system is an outstanding school, and I just wanted to call the body's attention to that, and I will let the others speak on the other schools that are involved.

SPEAKER WITHEM: Thank you, Senator Wehrbein. LR 461, Senator Robinson. Mr. Clerk.

ASSISTANT CLERK: Legislative Resolution 461 was introduced by Senator Robinson. It is found in the Journal on page 1667.

SPEAKER WITHEM: Senator Robinson.

SENATOR ROBINSON: Mr. Speaker and the body, this resolution is for M. Stanley Jensen, who was a graduate of Blair High School and was office manager and treasurer of the Concrete Equipment Company of Blair from 1957 to '93. Stan was the mayor of Blair for 12 years. Besides that, he was on the city council for six. He just passed away here, I think it was a little over two weeks ago. Besides his...besides his elective offices, he was a member of my campaign committee. Not only that, he was a good Democrat, which will bring smiles to a lot of you people. He was treasurer of the Washington County Democratic Party. He was Director of the Washington County Red Cross. He was Chair of the Eastern Nebraska Conference of Mayors. He was President of the Metropolitan Area Planning Agency, and he was a representative of Senator J.J. Exon's White House Conference on Small Business, and he was a representative of the city of Blair at the opening ceremonies of the Karl May Festival in Bad Segeberg, West Germany. And he also received numerous rewards. He received the Dana College Community Service award, and he was a...also was honored at the Omaha Public Power District for the negotiations that brought the Blair electrical system in as part of the Omaha Public Power District. As I mentioned, Stanley passed away March 25th, 1996. I know there are several people in the body that knew Stan. He was a very gentle and beautiful person, and he was a family friend of my family for many, many years. Thank you, and I'd appreciate the support of the resolution.
